

# TissuePatch™

sealant film

TissuePatch™ is a synthetic, self-adhesive surgical film for protection against leaks

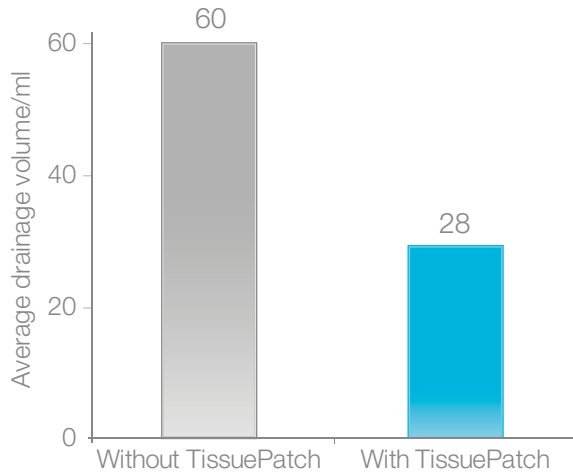

Fast, Safe & Effective Sealing

It Adheres,  
It Seals,  
It's Absorbed.

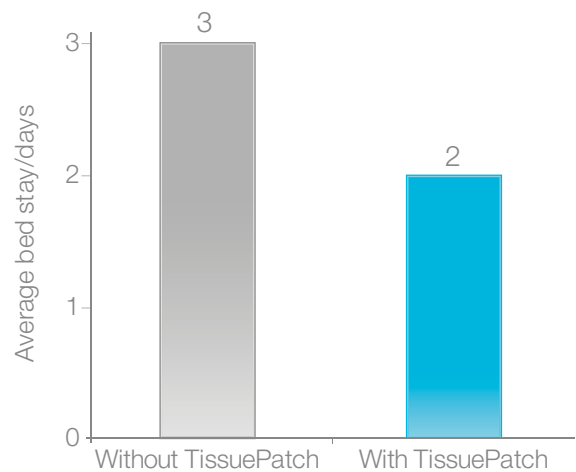

## Clinical Evidence Supporting Reduction in Hospital Stay

TissuePatch was evaluated in a controlled single centre study involving patients undergoing thyroid surgery\*

Seals against leakage to reduce wound drainage volume

Reduces hospital stay and provides cost-of-care savings
